Secretary of Education Statement on Algebra I Initiative

SACRAMENTO – Secretary of Education David Long today issued the following statement regarding the release of State Superintendent O'Connell's Algebra I Initiative:

"I'm glad to see that State Superintendent O'Connell is engaged in helping reach this goal for the betterment of our students. Algebra is a critical skill that prepares our students to be competitive in the global economy. We will work collaboratively with the education community to determine the best plan to implement the Algebra I test standard and I know the Governor is committed to providing the support necessary to achieve this goal."
